

REMARKS

In response to the restriction requirement set forth in the Office Action mailed September 20, 2010, Applicant elects the invention of Group I, claims 1-2, 5, 10-11, 13, 15-16, 18, 37-39, 44-45, 51-52, 58-61, and 70 for continued examination.

With regard to Group I, the Examiner further requires election of a species of a second promoter. In response, Applicant elects *adenomatous polyposis coli* (APC). Claims 1-2, 5, 10-11, 13, 15-16, 18, 37-39, 44-45, 51-52, 58-61, and 70 read on the elected species.

The Examiner notes that there are two claims 52. The present amendment clarifies this discrepancy by renumbering the claims.

Dated: January 20, 2011

Respectfully submitted,
